

**WARNING: READ BEFORE USING YOUR PLAYSTATION™ GAME CONSOLE.**

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation game console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

**WARNING TO OWNERS OF PROJECTION TELEVISIONS:**

Do not connect your PlayStation game console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

**HANDLING YOUR PLAYSTATION™ DISC:**

This compact disc is intended for use only with the PlayStation game console.

Do not bend it, crush it or submerge it in liquids.

Do not leave it in direct sunlight or near a radiator or other source of heat.

Be sure to take an occasional rest break during extended play.

Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use.

Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

# BLOODY ROAR

**ESRB RATING** This product has been rated by the Entertainment Software Rating Board for general audiences. The ESRB rating is a general guideline. For more information on the rating system, please contact ESRB at 1-800-771-3377.

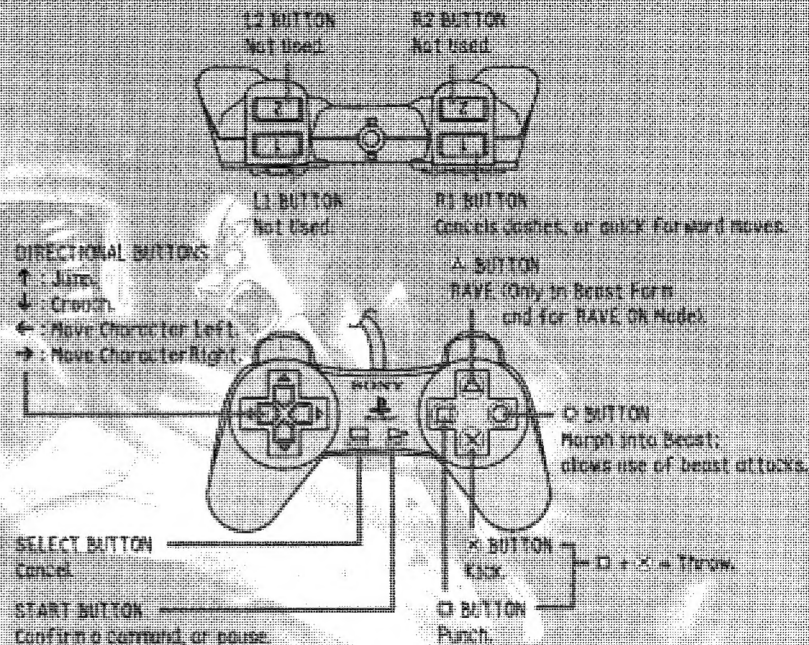

## GETTING STARTED

Set up your PlayStation™ game console according to the instructions in its Instruction Manual. Make sure the power is OFF before inserting or removing a compact disc. Insert the *Bloody Roar*™ disc and close the CD door. Insert game controller(s) and turn on the PlayStation™ game console. Follow on-screen instructions to start the game.

## CONTROLS

Note: The functions above are the default settings assuming the character is facing Right on the screen. However, the settings can be personalized according to each player's preference.

As the 20th century draws to a close, the world is filled with darkness and fear. Eight mysterious warriors appear, all displaying superhuman strength, astounding athletic ability and the power to morph into raging, half-human beasts! Tigers, wolves, wild boars – will mankind depend on the claws, fangs and cunning of savage beasts to bring the world safely into the next millennium?

## STARTING PLAY

### MAIN MENU

**MODE SELECT** - Select from five game modes. Use the Direction Buttons to select, and confirm your choice by pressing the **Ⓐ** Button.

**BEAST RAVE** - Use the Direction Buttons to select BEAST RAVE ON or OFF.

**OPTIONS** - OPTIONS allows you to set your preferences for the game. Select OPTIONS using the Direction Buttons, and press the **Ⓐ** Button for the Options screen.

### GAME MODES

**ARCADE** - One player vs. the computer. Use the Direction Buttons to select a character, and confirm your selection with the **Ⓐ** Button. The computer will choose your opponent. Then prepare for battle.

**VS** - For two players. Each player selects their own character by pressing the **Ⓐ** Button. Before selecting your character(s), you may choose one of eight stages using the Direction Buttons. You may also set handicaps by using the Direction Buttons to change your life energy ranging from 60% - 100%.

**EXTRA** - These are extra modes for single player matches.

**TIME ATTACK** - Single bout. Compete for the shortest finishing time.

**SURVIVAL** - Single bout. In this mode, characters do not fully recover their life energy between rounds.

**PRACTICE** - You select your opponent's movements. Perfect for practicing combo techniques!

**WATCH** - Watch a match between characters controlled by the computer. You can adjust the difficulty levels to view the more difficult move executions.

## STARTING PLAY

**RECORDS** - View the rankings in each mode. Names that have been entered in the (NAMING) feature will automatically be displayed.

**NAMING** - The player can register up to three letters. Once registered, the player's ranking is automatically shown on the screen. To register, use the Direction Buttons to select and the **Ⓐ** Button to enter.

**SETTING OPTIONS** - The OPTIONS selection in the MAIN MENU is used for setting various game configurations. Select items by pressing UP or DOWN and change items by pressing the Direction Buttons LEFT or RIGHT. After setting all the desired items, press the **Ⓐ** Button to return to the MAIN MENU screen.

### GAME OPTIONS

**CHARACTER TYPE** - Selects the style (NORMAL, BIG HEAD or KIDS) of the character.

**DIFFICULTY** - Selects the degree of difficulty of the computer opponent from 1 to 8 (8 being the most difficult).

**ATTACK LEVEL** - Sets the attack capacities.

**TIME LIMIT** - Sets the time duration for each round.

**MATCH POINT COMPUTER** - Sets the number of rounds required to win in one-player mode.

**MATCH POINT HUMAN** - Sets the number of rounds required to win in two-player mode.

**BLOOD EFFECT** - Turns the blood effects ON or OFF.

**WALL DESTRUCTION** - Sets the wall destruction ability.

ON - Walls are destructible.

OFF - Walls are indestructible.

FINAL - Walls are destructible only in the final round.

**CONTROLLER CONFIG** - Sets the optional button settings.

**SELECT TYPE** - Sets the artwork type for the character selection screen.

## STARTING PLAY

### CHARACTER CHANGE AT CONTINUE -

\* If you turn ON the game with a Memory Card containing a previously saved Bloody Roar™ game, that game will be loaded.

**ART GALLERY** - View character design sketches.

**BONUS MODE** - If you finish the game under certain conditions in the ARCADE mode, you will unlock secret commands.

## FIGHTING SCREEN

### GUARD SYSTEM

Use the Guard function by pressing Direction Buttons LEFT (assuming your character is facing right) or DOWN. It is also possible to guard while in the air after jumping.

**High Guard** : ← or Neutral (where the Auto-Guard is activated)

**Low Guard** : ↓ or ↙

**In-Air Guard** : ← or Neutral position while in the air (It is not possible to use this technique after doing a safe fall.)

**Guard Escape** - This function is used while Guarding. Immediately after using the Guard function, press UP on the Direction Buttons to make your character quickly sidestep the opponent.

**Safe-Falling** = ⊗ + ⊕ Buttons

Avoid taking further damage by using the safe-fall function when you are thrown in the air.

## BEAST SYSTEM

Both players have a set amount of energy - used to change into a Beast - at the beginning of each stage. Players may morph anytime after the letter "B" shows up in the Beast Indicator.

### CHANGES IN THE BEAST INDICATOR

The indicator appears blue when storing the energy needed for morphing. When it is fully charged, the word BEAST appears, and the character may change into a Beast by pressing the **B** button.

While in Beast Mode, the indicator is yellow. The yellow area decreases according to damage suffered by the Beast. It does not recharge during that round. When the yellow indicator reaches zero, the Beast Mode is not negated until the Beast is hit with an effective technique.

### FIGHTING IN BEAST MODE

Characters experience the following power-ups when fighting in Beast Mode:

- The number of moves available by using the **B** Button increases.
- Flotation amount changes.
- Characters become heavier.
- Life energy recovers - characters can recover up to 3% of damage when in Beast Mode. However, your life energy does not recover when you are guarding or taking damage.
- Jumping ability increases - This enables in-air attacks and moves. You may also use the walls as part of an attack.

## COMMANDS IN PAUSE MODE

### ARCADE, VS., SURVIVAL, TIME ATTACK MODES

If you select KEY CONFIG while the game is paused during any of these modes, you can change the setting of the buttons in the middle of the round.

### WATCH

Selecting CHARACTER CHANGE changes the fighting characters in this mode.

### PRACTICE

- ( COM. ACTION ) chooses movements in the computer mode.
- ( KEYDISPLAY ) Shows which buttons were inputted.
- ( ACTION DATA ) Displays action data.
- ( BEAST MODE ) Switches the Beast mode ON and OFF.
- ( BEAST RAVE ) Switches the RAVE mode ON and OFF.
- ( KEY CONFIG. ) Sets the controller button functions.
- ( CHARACTER CHANGE ) Selects another character.
- ( RESET ) Resets and goes back to the title screen.

## CONTINUE THE GAME

When the bout is over, the word CONTINUE appears on screen. You can continue the game by pressing the Start Button before the indicator reaches zero. After pressing the button, a screen appears for choosing the characters. When CHARACTER CHANGE is ON, you can choose a different character for the new round. If the CONTINUE indicator reaches zero, the game is over.

# BAKURYU

Age : unknown (around 60)

Sex : Male

Nationality : Japanese

A self-styled master of the traditional ninjō arts, his personal details – from real name to nationality to age – are veiled in secrecy. He has made everything about his existence a complete mystery. He is expert at assassination, approaching with silent steps and killing in an instant. He is, therefore, a kind of the present age who strikes terror in the hearts of many.

Furthermore, since he has enlisted in the infamous underworld organization, his skills in the lethal arts have progressed beyond those of a mere human. It is said that you may as well make immediate funeral preparations when your name turns up on his hit list. As an Organization agent, he is in charge of sabotage and the abduction of zoothropes for experiments.

## ALICE

Age: 17  
Sex: Female

Nationality: Japanese

Alice grew up deprived of happiness, due to her childhood kidnapping by a secret research institution that compares the capabilities of weapons. After awakening to her latent powers through being subjected to physical experimentation, she was used as a test subject

and given battle training. However, she managed to escape from the institution just before a brainwashing that would have left her as a carbon automaton; instead, she succeeded in getting the freedom she had long sought. At first, all she could do was hide herself from her pursuers. As she recovered her memories, she began to worry about a girl who had been sharing the hard life of the institution and who loves Alice like her sister. Because the girl sacrificed herself by distracting Alice's pursuers during the escape, the girl failed to get away. To save this girl from the enemy, Alice decided to come out of hiding, fight her pursuers and foil the scheme to develop armed zoanthropes.

## GREG

Age: 35  
Sex: Male

Nationality: American

Greg is a man of great ambition who travels the world to realize his dream. In his youth, he fulfilled his hope of running away to join a circus. A great talent for handling animals gave his fellows confidence in his enthusiasm for circus life. Some time later, he took charge of the circus after the ringmaster retired. But, with the rapid changes in the entertainment industry, it became harder to keep drawing audiences. The circus went bankrupt, and its members parted ways.

# HANS TAUBEMANN

Age : 22

Sex : Male

Nationality : English

Fox's mind is warped and his esthetic sense heightened to the extreme. He is obsessed with beauty and despises ugly things, boasting of his good looks and publicly declaring all else ugly. Abandoned by his parents as a child and raised in the slums, no nobility was below him in his solitary existence. Thus, in his teens, he grew into a well-known scoundrel. He earned the name of Fox from his wariness, despite his youth, and cruelty in beating up even the very weakest. He works for the Organization in the same outfit as Baka ya. He has made use of the powers awakened by the research Organization and engaged in abominable activities, such as kidnapping and murder.
